Fort Collins, CO- Investigators have completed scene work and the next step is to analyze items removed from the scene. As of 8:00 a.m. today building control has been returned to Colorado State University Safety Officials to determine when further evaluation of the building and contents can occur. The origin and cause is currently listed as Undetermined/Under Investigation. No additional information is available at this time.

Cooperating agencies are the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), Colorado State University Police (CSUPD), Federal Bureau of Investigation (FBI) and the Poudre Fire Authority; with assistance from Colorado Bureau of Investigation (CBI), Longmont Fire Department, and Northern Colorado Bomb Squad.
